Phase 1
Ideation

Consequence Scanning
Recommended Structure

1 Introduction
Explain the focus of this consequence scanning

2 Intended Consequences
Quiet time & affinity sorting: Everyone takes quiet time to write intended consequences. Participants post up and discuss; similar ideas are grouped together

3 Unintended Consequences
Quiet time & affinity sorting: Everyone takes quiet time to write unintended consequences. Participants post up and discuss; similar ideas are grouped together

4 Discussion
Participants have another opportunity to add new consequences based on other posts

Phase 2
Action

5 Responsibility
Identify consequences you want to focus on or mitigate into categories - Act, Influence, or Monitor.

6 Discussion
As you identify consequences, discuss next steps and assign to people for action after the session.

7 End
Thank everyone for participating
